Subject: Reappointment of Tony Mardis
Attachments: KRS 74.020_2010Version.PDF

Judge Rodgers:

KRS 74.020 provides that within 90 days of the date of the expiration of a water district commissioner's term, the county judge executive must make an appointment to fill the vacancy and fiscal court must approve that appointment. If these actions do not occur within that time period, legal authority to fill the vacancy is transferred to the Public Service Commission. A copy of KRS 74.020 is attached.

As no appointment was made or approved before 28 September 2010 to fill vacancy created by the expiration of the term of Tony Mardis on 30 June 2010, the Public Service Commission must fill the vacancy. The Public Service Commission, however, has stated that, where the local elected officials responsible for the appointment and approval of an appointment of a water district commissioner are in agreement on who should fill the vacancy, the Commission will generally defer to those officials and appoint the recommended candidate.

I recommend that you take the following actions:

1. Advise the Public Service Commission's Executive Director by letter that Mr. Mardis's term expired on 30 June 2010 and that the vacancy created by the term expiration was not filled by 28 September 2010. This letter should be addressed to: Mr. Jeff Derouen, Executive Director, Kentucky Public Service Commission, Post Office Box 615, Frankfort, KY 40602-0615.
2. In your letter, also advise Mr. Derouen that you recommend the reappointment of Mr. Mardis and that a majority of the members of Taylor County Fiscal Court agree that Mr. Mardis should be reappointed. Include with your letter a copy of the minutes of the Taylor County Fiscal Court meeting in which Fiscal Court voted to recommend to PSC that Mr. Mardis be reappointed or otherwise voted to express its approval of Mr. Mardis's reappointment.

Once the Commission has received your letter, it will establish a proceeding to fill the vacancy. It will ask Mr. Mardis to answer some questions that address his legal qualifications for reappointment. Upon receiving Mr. Mardis's response to those questions, the Commission can take final action on your request to reappoint Mr. Mardis.

If you have any questions, please telephone or e-mail me.

Respectfully,

74.020 Appointment of commissioners -- Number -- Terms -- Removal -- Vacancies -- Organization -- Bond -- Compensation -- Mandatory training -- Notice of vacancy.

- (1) A water district shall be administered by a board of commissioners which shall control and manage the affairs of the district. The term of each commissioner is four (4) years, except as provided in this section:
 - (a) If a district lies wholly within a single county, or operates as a single-county district, as provided in paragraph (c) of this subsection, the board of commissioners shall be composed of either three (3) or five (5) members as the county judge/executive shall determine. Members of the board shall be residents of the district, or of any incorporated or unincorporated area served by the district in the county in which the district was originally established, who shall be appointed by the county judge/executive with the approval of the fiscal court. Initial appointments shall be for terms of two (2), three (3), and four (4) years, as designated by the court.
 - (b) Except as provided in paragraph (c) of this subsection, if a district formed in a single county extends its area to include territory in one (1) or more adjacent counties, as provided by KRS 74.115, the board of commissioners shall be appointed by the appropriate county judges/executive, with the approval of the respective fiscal courts of the concerned counties as follows: in two (2) county districts, three (3) members from the original district and two (2) members from the extended portion of the district; for extensions into three (3) or more counties, the respective county judges/executive, with the approval of the respective fiscal courts, shall appoint, in addition to the existing membership of the commission, two (2) members from the original one-county district and two (2) members from the newly extended portion of the district. Orders establishing the extension shall provide for the staggering of initial terms in an equitable manner.
 - (c) If a district acquires an existing water or gas distribution system serving an area which extends beyond the boundaries of the district into one (1) or more additional counties, or if a district extends its area to include territory in one (1) or more adjacent counties as provided by KRS 74.115, it may operate the distribution system so acquired, or extended, without adding additional board members, if the new area to be served shall be deemed to be a minor portion of the total area served by the district, and if the fiscal court of the county containing the minor portion of the total area shall have agreed to the acquisition or to the extension of the distribution system. If less than twenty-five percent (25%) of the total assets of the distribution system are located within any particular county included in the territorial boundaries of the district, it shall be conclusively presumed, with respect to that particular county, that the district comes within the terms of this subsection.
- (2) A commissioner may be removed from office as provided by KRS 65.007 or 74.455.

- (3) A commissioner who participates in any official action by the water district board of commissioners which results in a direct financial benefit to him may be removed from office as provided by KRS 65.007 or 74.455.
- (4) Vacancies shall be filled by the same appointing authority which is empowered to make the original appointment. Vacancies resulting from cause other than expiration of the term shall be filled for the unexpired term only. Notwithstanding KRS 67.710, a vacancy resulting from the expiration of a term or the death, resignation, or removal of the incumbent shall be filled by the Public Service Commission if, within ninety (90) days following the vacancy, the vacancy has not been filled by the appropriate county judge/executive with approval of the fiscal court.
- (5) The commission shall elect a chairman, vice chairman, secretary, treasurer, and any other officers and assistant officers as the commission may deem necessary, each of whom shall be members of the commission. Any two (2) or more offices may be held by the same person, except that the chairman may not hold any other office. Each commissioner shall execute a bond for the faithful performance of the duties of his position.
- (6) Each commissioner shall receive an annual salary of not more than thirty-six hundred dollars (\$3,600), which shall be paid out of the water district fund, except that beginning January 1, 1999, each commissioner who completes during an educational year a minimum of six (6) instructional hours of water district management training approved by the Public Service Commission may receive an annual salary of not more than six thousand dollars (\$6,000) to be paid out of the water district fund. An educational year shall begin on January 1 and end on the following December 31. In the case of single-county districts, which shall be deemed to include districts described in paragraph (c) of subsection (1) of this section, the salary shall be fixed by the county judges/executive with the approval of the fiscal court; in multicounty districts, it shall be fixed by the agreement between the county judges/executive with the approval of their fiscal courts. In fixing and approving the salary of the commissioners, the county judge/executive and the fiscal court shall take into consideration the financial condition of the district and its ability to meet its obligations as they mature.
- (7)
 - (a) In order to receive an increase in salary as specified in subsection (6) of this section, commissioners shall successfully complete six (6) instructional hours of water district management training annually. The training shall be approved and paid for by the water district of the county the commissioner represents. Those commissioners not required to complete the six (6) instructional hours shall be reimbursed for the cost of instruction if they choose to complete the water district training.
 - (b) The Public Service Commission shall be responsible for the regulation of all water district management training programs for commissioners of water districts, combined water, gas, or sewer districts, or water commissions.
 - (c) The Public Service Commission shall encourage and promote the offering of high quality water district management training programs that enhance a water

district commissioner's understanding of his or her responsibilities and duties. The commission shall, no later than January 1, 1999, establish standards and procedures to evaluate, accredit, and approve water district management training programs.

- (8) (a) At least once annually, the Public Service Commission shall provide or cause to be conducted a program of instruction, consisting of at least twelve (12) hours of instruction, that is intended to train newly appointed commissioners in the laws governing the management and operation of water districts and other subjects that the Public Service Commission deems appropriate. The commission may charge a reasonable registration fee to recover the cost of the programs and may accredit programs of instruction that are conducted by other persons or entities and that the commission deems equivalent to its program of instruction.
- (b) Within twelve (12) months of his or her initial appointment, each commissioner shall complete the program of instruction described in paragraph (a) of this subsection. Any commissioner who fails to complete the program within twelve (12) months of his or her initial appointment shall forfeit his or her office and all right to act in discharge of the duties of the office. A commissioner required to attend a program under this subsection shall be reimbursed for the cost of instruction by his or her water district.
- (9) (a) Within thirty (30) days of the occurrence of a vacancy on its board of commissioners resulting from the expiration of a term or the death, resignation, or removal of the incumbent, a water district shall notify in writing the Public Service Commission of the existence of the vacancy. The notice shall include the name of the commissioner who last held the position and the date on which the unexpired term will end.
- (b) Within thirty (30) days of the appointment of a commissioner and the appropriate fiscal court's approval of that appointment, a water district shall notify the Public Service Commission of the appointment. The notice shall include the appointed person's name and the date of the expiration of his or her term.
- (10) The Public Service Commission may promulgate administrative regulations in accordance with KRS Chapter 13A to implement the requirements of this section.

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

REQUEST TO FILL VACANCY ON GREEN-)
TAYLOR WATER DISTRICT'S BOARD OF) CASE NO. 2011-00026
COMMISSIONERS OF)

O R D E R

Taylor County Judge/Executive Eddie Rodgers has advised the Commission in writing of the existence of a vacancy on Green-Taylor Water District's ("Green-Taylor District") Board of Commissioners due to the expiration of the term of Water District Commissioner Terry Mardis. Mr. Mardis's term ended on June 30, 2010. No action was taken to fill the vacancy prior to September 28, 2010. On January 11, 2011, the members of Taylor County Fiscal Court unanimously voted for the reappointment of Mr. Mardis.

KRS 74.020(4), which addresses the appointment of members to the boards of commissioners of water districts, states:

Vacancies shall be filled by the same appointing authority which is empowered to make the original appointment. Vacancies resulting from cause other than expiration of the term shall be filled for the unexpired term only. Notwithstanding the provisions of KRS 67.710, a vacancy resulting from the expiration of a term shall be filled by the Public Service Commission if, within ninety (90) days following the expiration of the term, the vacancy has not been filled by the appropriate county judge/executive with approval of the fiscal court.

As the position has been vacant for more than 90 days, the Commission has the statutory duty and the exclusive authority to fill it. While a county judge/executive and a county fiscal court may reach agreement on the vacant position, they lack authority to fill the vacancy once it has remained unfilled for more than 90 days. Any action on their

part to appoint and approve a candidate at that time has limited legal effect and constitutes only a recommendation to the Commission.¹

The Commission recognizes that deference should be accorded to local elected officials when filling vacancies on a water district's board of commissioners. We have previously declared:

While the Commission has exclusive authority to fill vacancies that exist for 90 days or more, we will defer to the local elected officials in those instances where the local appointing and approval authorities have reached agreement on a candidate. Absent unusual circumstances that raise clear concerns about an agreed candidate's qualifications, such deference is appropriate because local officials generally have a better understanding of the candidates' qualifications and of the water district's needs and because these officials are directly accountable to the water district's customers through the ballot box.²

Accordingly, the Commission finds that a proceeding should be initiated to determine whether Mr. Mardis should be reappointed. We will limit the scope of our review to determining whether Mr. Mardis meets the constitutional and statutory requirements for the office of water district commissioner.

IT IS THEREFORE ORDERED that:

1. This proceeding is initiated to fill the vacancy on Green-Taylor District's Board of Commissioners that was created through the expiration of the term of Terry Mardis.
2. Green-Taylor District, Taylor County Judge/Executive Rodgers, Taylor County Fiscal Court, and Terry Mardis are made parties to this proceeding.

¹ See Case No. 2008-00395, *Request to Fill Existing Vacancies on the Board of Commissioners of Letcher County Water and Sewer District* (Ky. PSC Jan. 28, 2009).

² Case No. 2007-00493, *Request for Assistance in Appointment of Breathitt County Water District Commissioners* (Ky. PSC Mar. 20, 2008) at 4-5.

3. Any party filing documents with the Commission shall serve a copy of those documents upon all other parties.

4. Service of any document or pleading shall be made in accordance with 807 KAR 5:001, Section 3(7).

5. Terry Mardis shall file with the Commission the original and two copies of the information listed in Appendix A. Mr. Mardis's failure to file the requested information in a timely manner shall be considered as notice that he does not wish to be considered for reappointment to Green-Taylor District's Board of Commissioners.

6. Green-Taylor District shall file with the Commission the original and two copies of the information listed in Appendix B.

7. a. The information requested herein is due on or before March 14, 2011. Responses to requests for information shall be appropriately bound, tabbed and indexed and shall include the name of the witness responsible for responding to the questions related to the information provided, with copies to all parties of record and ten copies to the Commission.

b. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

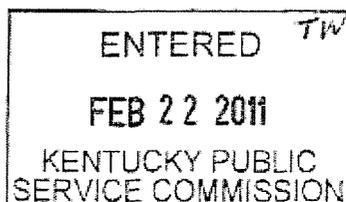

c. A party shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect.

d. For any request to which a party fails or refuses to furnish all or part of the requested information, that party shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

e. Careful attention shall be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations.

8. The record of Case No. 2010-00446³ is incorporated by reference into the record of this proceeding.

This is the order we have been expecting. I'm sure Terry Mardis and Green-Taylor will be getting copies also. Your office will be getting copies of all the information we send, but I don't think you have to do anything else, since the Fiscal Court has already voted to reappoint Mr. Mardis.

Item No. 2: List all contracts that Terry Mardis has entered into with Green-Taylor District to provide goods or services. Provide a copy of each contract and the minutes of the meeting of the Green-Taylor District Board of Commissioners at which the contract is approved.

Response: Green-Taylor Water District does not have any contracts for Terry Mardis.

Item No. 3: List all of Mr. Mardis's family members that Green-Taylor District currently employs and the position that each family member holds. State the date on which each family member began his or her employment with Green-Taylor District.

Response: Green-Taylor Water District does not employ any family members of Mr. Mardis.

Item No. 4; List all of Mr. Mardis's family members that Green-Taylor District has previously employed and the position that each family member held. State the dates on which each family member began and ended his or her employment with Green-Taylor District.

Response: Green-Taylor Water District has never employed any family member of Terry Mardis.

Item No. 5: State the number of meetings of Green-Taylor District's Board of Commissioners has held since January 1, 2008 and the number of those meetings that Mr. Mardis failed to attend.

Response: Green-Taylor Water District had held thirty-nine (39) board meetings since Jan. 1, 2008, Terry Mardis has only been absent from two (2) of those meetings.

I, Connie Smith, Office Manager, Green-Taylor Water District, did personally prepare the Response and state that this Response is true and accurate to the best of my knowledge, information, and belief formed after a reasonable inquiry.
